LOCATION - HILLVIEW FARM

Hillview is a farm property owned by Athol and Noelene Young, roughly midway between Beaudesert, Casino, and Tenterfield in northern NSW.

Camps have been held at Hillview for more than 15 years now, mostly during school holidays for families and youth.

For those who have never been, camps at Hillview are always marked by a feast of healthy Bible teaching, a lot of time for making friends and having fun, and everybody always enjoys the delicious country cooking.

INFORMATION

As part of Family Camp, we want to provide an opportunity for Christians that have a desire to think more deeply over biblical subjects to interact in optional workshops.

This year we seek to provide various workshops to accommodate the variety of ages and needs. In particular, we want to encourage young people to grow spiritually strong - not only to stimulate and encourage a thoughtful Biblical understanding but also practical holy living.

Part of this is to have an environment where we can enjoy a healthy dose of good fun, rest and friendship.

KIDS PROGRAM

A lively kids program will entertain and teach children age between 5 and ten for the morning sessions. If you have experience with kids ministry or would like to help out as an extra hand, please email Liz liz@hillview.info. Each camp benefits the children enormously by hearing Gods Truth being creatively taught at the same time as meeting new or old friends.

GAMES & ACTIVITIES

Organised games & activities will be organised each day along with free time for rest or sport. There will be some special activities this year, so we can't spoil the surprise.

Hillview is an ideal place to get away from the hustle bustle of the city for a peaceful and scenic retreat where you can focus on God's plan for your life and enjoy fellowship with other Christians.

ACCOMMODATION

There are a number of cabins available, plus powered tent and caravan sites. Numbers of cabins are limited, so please RSVP early.

COST

There is no set charge for Hillview camps, but those willing and able to contribute and share in this way are appreciated.

MIKE RAITER

Born in Liverpool, England and raised in New South Wales, Australia, Mike began his career as a high school teacher in Sydney and Pakistan. For many years he served the Lord as a Bible teacher in Pakistan, before becoming the principal of the Melbourne School of Theology, an evangelical theological college. Mike is currently the Director of the Centre for Biblical Preaching, an organisation that seeks to train and equip churches around the globe in expository preaching. Mike is also the author of a number of books, including *Stirrings of the Soul: Evangelicals and the New Spirituality* which won the 2004 Society for Promoting Christian Knowledge Australian Christian Book of the Year Award.

PHIL THOMAS

Phil and his wife Adele have been based in Bundaberg, Queensland since 1999. During that time Phil has had responsibility as the teaching Elder at the Bundaberg Bible Chapel Fellowship. This followed five years as missionaries in Colombia, South America with prior experience in indigenous education and ministry. Phil has a diverse background in farming, trades and education as well as theological education and training. Phil and Adele delight in their four adult children and six grandchildren. He is happy with the simple things in life - a good book, a good meal, a good workshop and good family and friends. Apart from serving the church in Bundaberg, Phil's ministry extends to itinerant teaching in other parts of Australia and overseas. He borrows Paul's mission statement from Colossians 1:28-29 to capture his passion for life and ministry - *Him we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ. For this I toil, struggling with all his energy that he powerfully works within me.*
