HILLVIEW BIBLE STUDIES

DECEMBER 2017

DANIEL
LIVING BETWEEN TWO WORLDS

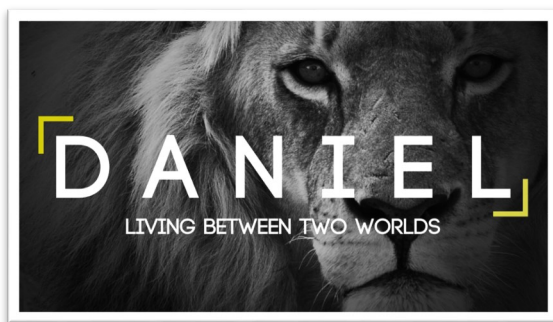

and

MARRIAGE HEALTH SEMINARS

Wed 27th - Sat 30th December 2017

WWW.HILLVIEW.INFO

At a young age, Daniel and his three friends were taken by force from their families and country to the greatest city on planet earth at that time, Babylon. In a completely foreign world, they received a thorough Babylonian education and climbed the ranks of influence in the most powerful government of the time. They lived, ate, and breathed in the world of Babylon but through their entire lives they never let Babylon into their hearts or bought into its ways. They were looking for another world, a better city, a better king. They lived between two worlds.

We live in a world that neither loves God nor obeys him. In this world, we live, serve, work, love and play but we don't fit in with it's ways and values. We too long for another world, a better city, and a better king. We live between two worlds.

Join us as we discover the God who smashes proud human kings, saves the faithful, has a sovereign knowledge of the future, and who delivers his people and always make sure they get back home.

KIDS PROGRAM

A lively kids program will entertain and teach children age between 5 and ten for the morning sessions. If you have experience with kids ministry or would like to help out as an extra hand, please email liz@hillview.info. Each camp benefits the children enormously by hearing Gods Truth being creatively taught at the same time as meeting new or old friends.

GAMES & ACTIVITIES

Organised games & activities will be organised each day along with free time for rest or sport. There will be some special activities this year, so we can't spoil the surprise.

ACCOMMODATION

There are a number of cabins available, plus powered tent and caravan sites. Numbers of cabins are limited, so please RSVP early.

COST

There is no set charge for Hillview camps, but those willing and able to contribute and share in this way are appreciated.
